FORTE.

There is a flower that bloometh When autumn leaves are

shed With the silent moon it weep.....eth The

spring and summer fled, The early frost of winter

Scarcely its brow hath overcast Oh! pluck it ere it

wither 'Tis the memory of..... the past, Oh! pluck it ere it

wither.... 'Tis the memory, the memory of the past.

It
wafteth perfume o'er us Which few can e'er forget
Of the bright scenes gone before us Of sweet tho' sail re-
gret! Let no heart brate its power By guilty thoughts o'er.

...past For then a poison'd flower Is the mem'ry of the

past, For then a poi...son'd flower..... Is the

mem'ry, the mem'ry of the past.
